Thank you for GC Trials continued regulatory support of our client's projects and for being a valued affiliate partner in our Global Regulatory Network.

We continue to be impressed with the diversity of experience of your staff across the breadth of product areas and countries you cover. GC Trials continue to exceed our expectations in the areas of accurate information, on time delivery and meeting quoted prices in support of our requested projects and tasks.

I would be happy to act as a reference for you, for any future prospective clients. We look forward to our continued involvement with GC Trials.

Thank you once again.

Sincerely,
